## Participants' feedback . . .

Everything was out of this world!!!  
Best workshop ever . . . very lucky to have met so many wonderful people.

In just 5 days Linda Rief was able to deliver the most effective PD that I've experienced in my 15 years of teaching combined. She is intelligent, passionate and still "in the field" which makes her a powerful presenter. On top of that she is kind and makes all of us feel valued as teachers and as people.

Valuable workshop! Thank you for opening up my eyes to a new view of writing for myself and my students.

Linda Rief cares about her craft and genuinely wants to share with teachers. The BEST workshop ever.

There is a wonderful amount of resources provided and it is nice to have time to do the work first hand.
